Functions of the guides

To motivate their teams.

Verify that all students of the team are present (take assistance, students must sign the list).

Indicate on the list of assistance the size of the student.

Accompany the students to the classrooms where the different workshops will take place according to the schedule, and wait in the classrooms to be transferred.

Give out the welcome t-shirts; the student must sign upon receipt.

Guide the student in case he/she requires any support or has any doubts.

Thank you for your support!!!!!!!!!!!!!!!!!!!!
