

RECOMMENDATIONS TO EVACUATE THE FACILITIES

1. During EARTHQUAKE stay calm; to evacuate “DO NOT WAIT TO HEAR THE ALARM”, when the movement stops proceed to leave the facilities in order.
2. Try to keep personal belongings and valuable objects that are “NOT LARGE OR BULKY” always with you, (car keys, handbag, wallets, cell phones, and important documents).
3. Mark your belongings so you can easily identify them.
4. Avoid stepping on any loose or fallen cables.
5. Go to the MEETING POINTS; do not remain in the portico, hallways or corridors.
6. Parking areas are NOT meeting points, they may be risky.
