

BASIC RECOMMENDATIONS TO PROTECT BELONGINGS

- Do not abandon your belongings.
- Mark your belongings so you can identify them.
- Make sure you properly close your car.
- Do not leave valuable objects visible in your car.
- Use a steering wheel lock and an electronic immobilizer device in your vehicle.
- When you leave your office or cubicle, lock the door and do not leave valuable objects unguarded.
- If you observe strange people in the areas you study or work in, immediately go to or call the Security Department or the surveillance booth.
